

# Summer 2 Year 5

## Geography

### Welcome to Yorkshire Yorkshire

We will locate and name the four regions of Yorkshire and identify the main cities. We will compare urban and rural areas of Yorkshire. We will find out about farming in Yorkshire and its food distribution. We will describe the trade links within Yorkshire.

## Maths

This term we will be focusing on

Shape  
Position and Direction  
Statistics  
Negative numbers  
Converting units  
Volume

It is important that children know their times tables up to 12x12, along with corresponding division facts. <https://play.ttrockstars.com/>

## PE

Please ensure your child comes to school in the correct PE kit which was given out at the beginning of the year.

Year 5A

PE lessons are Thursday and Friday.  
Focus—Athletics and Rounders

Year 5B

PE lessons are Tuesday and Wednesday  
Focus—Swimming and Athletics

**If you have any questions, concerns or want to discuss any aspect of your child's learning, please phone the school office and arrange a telephone conversation to speak with a member of the Year 5 team.**

**5A: Mrs Esteves**

**5B: Miss Tointon**

**Miss Sturdy, Mrs Sidhu, Mrs Fielding and Mrs Preece support across both Year 5 classes.**

## Reading

**Reading is a priority at Hunslet Moor and we encourage children to read as regularly as possible as this supports them with the wider curriculum.**

Please try to listen to your child read as often as possible and encourage your child to read every evening for at least 15 minutes.

If you have any books at home, please return to school.

Please update your child's reading journey on their class dojo profile.

Class texts—The Iron Man, Foul Play 1, Son of a Circus

## Homework

SPAG homework is provided each week alongside spelling homework. We also expect the children to read every night and go on TTRockstars regularly.

## PSHE

To teach PHSE, we use the Jigsaw scheme. Our new Puzzle is called 'Changing Me'. There is lots of information about it on our website.

## Science

This half term, our science topic is Growing Up and Growing Old. We will learn about how humans develop over time from gestation to elderly person.

## Attendance

**We are trying really hard to win the Attendance Teddy and weekly rewards. The prize this half term is a trip to the ice cream van. Attendance 96% or above**
