

Music Curriculum

Intent:

At Hunslet Moor Primary School, our intent for the Music curriculum is to develop a passion for music amongst our pupils. We aim for our students to appreciate music and foster a life-long love for it. Through our curriculum, we will empower our pupils to become confident performers, composers, and listeners. They will explore a variety of music genres from around the world, acknowledging the multicultural nature of our school. Music will be used as a medium to explore and appreciate both British and other cultures. We intend for our pupils to develop their musical skills through singing, playing instruments, composing music, and responding to music. Additionally, we aim to develop transferable skills such as teamwork, leadership, creative thinking, decision-making, and performance skills to support their overall growth inside and outside of school.

Implementation:

The Music curriculum at Hunslet Moor Primary School will be implemented through carefully planned lessons that build upon each other year on year. Our teachers will deliver engaging lessons that cater to the diverse needs of our pupils, encouraging them to actively participate and explore their musical abilities. We will provide opportunities for students to sing, play both tuned and untuned instruments, compose music, and critically respond to various musical pieces. Through a structured approach, our pupils will gradually develop their skills and knowledge in music, enabling them to meet the expected outcomes outlined in the national curriculum.

Impact:

The impact of our Music curriculum will be measured by the engagement and excitement of our children in their musical learning. Our pupils will demonstrate confidence as performers, composers, and listeners, both within the school environment and beyond. They will exhibit an appreciation and respect for a wide range of music genres spanning different generations and cultures. Our students will showcase their enthusiasm for music and its creative expression. Progress through the music curriculum will be evident as our pupils meet the expectations set at the end of each key stage in the national curriculum, reflecting their growth and development in musical skills and understanding.
