Hunslet Moor Primary School Newsletter Friday 11th October 2024

Dear Parents/Carers,

Welcome to this week's newsletter. We have had another exciting week in school, with lots of learning taking place!

This week, we would like to introduce you to Hunslet Moor Primary School's 2024-25 Reading Ambassadors for each class. These children will be promoting our love of reading in school throughout the year.

This week at Hunslet Moor...

In Year 3 Science, children have been using mirrors to investigate reflection. You can see in the pictures they had lots of fun!

In Nursery this week, children have been using autumnal objects they have found to create patterns.

This week in Year Two, children have used objects such as counters and base ten and ones to practically count in 2s, 5s and 10s.

On Thursday, it was World Mental Health Day and children came to school dressed in their favourite colour and completed lots of activities throughout the day to promote good mental health.

Year 3 Science – investigating reflection

Nursery Autumnal Patterns

Year 2 – Counting in 2s, 5s and 10s
