Welcome Back to Nursery!

We hope that you have had an enjoyable half term holiday and would like to welcome you all back as well as welcome and say hello to our new families joining us. This half term we are looking forward to lots of exciting learning opportunities. Our learning theme will be 'Light and Colour' and we will be learning about colour and light all around us from recognising colours, to mixing colours and creating wonderful works of Art. We will also be learning about light, what it is and how it changes. Finally, we will be finding out about how both colour and light are used to celebrate different winter festivals.

Nursery staff 2024/25

Nursery teachers

Mrs Gray – Monday, Tuesday and Wednesday AM
 Mrs Haskins – Wednesday PM, Thursday and Friday.

Nursery support staff

Mrs Haist
 Mrs Bibi
 Miss Silva

Please see the key worker groups list on the door so you are aware of who your child's Key worker is.

Learning in Nursery

Again we have planned lots of exciting activities to extend and develop your child's learning in all areas of the curriculum (See curriculum plan on School web site). Remember you can help too by chatting to your children and supporting the development of their communication skills. Read or share a book daily, if possible, and enjoy talking about the stories you share. Learning nursery rhymes is important at this age so please do sing them with your child. In Maths we will also be focusing a lot on colour, pattern, shape and matching. We will also begin making comparisons between objects like, size, length, weight and capacity.

What your child needs to bring to nursery

A spare clothes bag.

Spare pull ups and wipes if your child is still toilet training – we hope to support you and your child so they are toilet trained within a term of joining us. If your child is having trouble developing this skill, please link with your health visitor or GP.

As it is now getting colder it is important that all children bring a warm **waterproof** coat as we love to explore outside in all weather conditions.

For the colder days bring hats and gloves too.

Remember put your child's name in all of the items they bring as this helps should they get lost.

Class Dojo

If you are new to nursery, please do join class Dojo when you receive the link. We share lots of things using this platform.

We would like to remind everyone to share some of the things your child does at home on their profile too. This is so we can celebrate their learning at home as well as at school.
