Reading

Reading is a priority at Hunslet Moor and we encourage children to read as regularly as possible.

We will be sending reading books each week. Please try to listen to your child read, encourage your child to read every evening. It is also important for the children to listen to stories, if you can read them a story every day then this would really benefit the children.

If you have any school reading books at home please can these be returned to your child's class teacher as soon as possible. Thank you!
