## Attendance and Incentives this term

Excellent Attendance is vital for children to flourish and achieve. Children are expected to be in school every day unless they are too ill to attend. Children must be in school on time. The school doors open at **8.40am** and close at **8.55am** .

After **8.55am** children are late and parents will have to bring their children into school from the small hall to complete the late form. If children arrive after **9.15am** it counts as an absence for the morning and will affect their overall attendance.

Spot prizes will be giving to the children with the best attendance and punctuality. This will be happening over the next 2 weeks.

We will be having a Spring Picnic for the children who have 100% attendance
