

SCHOOL MILK UK LIMITED

Dear Parent/Carer,

We have chosen School Milk UK, to supply your school milk from the start of the new term.

If you would like your child to receive milk at school, you can register online at www.schoolmilkuk.co.uk

If you opt into this scheme, your child will receive a 189ml carton of fresh chilled semi-skimmed milk each school day to drink mid-morning. The cost of this milk depends on the number of school days in each term (accounting for inset days, bank holidays and school holidays) This is payable in advance prior to each term or you can pay for the full academic year.

Please visit the School Milk UK website for details on how this scheme works and how to register, order, pay and manage your account online.

Benefits of drinking cows milk include:

- A portion of milk can aid concentration in class by ensuring your child is fully hydrated and a drink of milk can boost your child's energy levels
- Milk is rich in calcium which is essential during childhood and teen years for the growth and development of bones
- A 189ml carton of semi-skimmed milk contains less fat than popular snacks such as crisps or chocolate and because of its nutritional value milk is a healthier alternative to fill the gap between breakfast and lunch

If your child suffers an allergy to cows milk, School Milk UK can offer soya, oat and almond milk.

If your child is in receipt of pupil premium, please check with your school to find out if you qualify for free milk.

If your child is under 5, milk is provided free of charge until the term they turn 5.

School Milk UK's online ordering and payment system is fully secure. We do not retain your personal details, except for your email address. Your email address is only used to send you a reminder when your current order is due to expire.

We look forward to serving your child with fresh chilled milk.

Kind Regards

The School Milk UK Team
