

Year 4 – Autumn newsletter

Reading

Reading is a priority at Hunslet Moor and we encourage children to read as regularly as possible as this supports them with the wider curriculum.

Please try to listen to your child read as often as possible and encourage your child to read every evening for **at least 15 minutes**. Always write a comment in their reading record.

Writing

This term, we will be focusing on writing a range of genres such as newspaper reports, diary entries, biographies and non-chronological reports, all linking to our Spanish topic.

Maths

We will be focusing on Place Value and reinforcing children's understanding of number throughout the Autumn term.

It is important that children know their times tables up to 12x12, to prepare them for their Multiplication Tables Check in the Summer term. Please ensure that your child is regularly practising their times tables at home.

Topic

In Geography this term, our topic is **Sunny Spain!** We will be locating Spain on different maps, identifying different climate zones across Spain, exploring Spanish culture and discussing the impact of tourism on the country.

Wider curriculum

Science – What's that sound? PSHE – Being in my world

Computing – How the internet works Spanish – Welcome to school
